1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of the company, lived in Tega Cay since 1999.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Completely against the unreasonably high % of rate increase. For decades, TCWS has not properly maintained or improved the water/sewer systems. Now that they are being monitored, reported and complaints filed about inadequate systems that continue to dump sewage in our community and in Lake Wylie -- they are going to start improving. But poor infrastructure, planning, customer service should not be remedied upon the backs of monopolized residents who have no choice of providers.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
